

CONTENTS

• Specialist View •

- Research Progress on Stress Resistance of Hulless Barley HOU Xin, QIN Zhongmengyi,
ZHOU Hongkang, NIU Liping, ZHANG Yanming, Dawadondup(001)

• Experimental Research •

- Effects of Zinc and Cadmium Stress on Seed Germination and Seedling Growth of Hulless Barley
..... LI Lu, MI Ma, GUO Tianqi(010)
- Effects of Sowing Density on Agronomic Traits and Yield of Rapeseed in High-altitude
Cold Regions Qiangjiuciren, Nimaquzhen, Yangjingesang, LIU Shufeng, HU Changlu(016)
- Introduction Experiment of Forage Maize in the Lhasa River Valley Agricultural Area
..... Cirenzhuoga, WANG Gaihua, Nimaciren, Danzengquzhen, Danzengqucuo, Dawazhaxi(023)
- Effects of Different Nitrogen Application Rates on Rhizosphere Microbial Community Diversity
and Composition of Highland Barley WANG Shengping,
TONG Jian, TAN Jianxin, JIANG Zhibing(026)
- Preliminary Study on Sowing Rate and Nitrogen Application of Spring Highland Barley
“Zangqing 17” in Ritu County, Xizang JIANG Zhibing, Danzengjiancan,
Dunzhuzhuoma, Yixizhuoma, Wang Shengping, TONG Jian(033)
- A Preliminary Study on Plasmodiophora Screening for Controlling Clubroot in Facility-cultivated
Cabbage (*Brassica rapa*) in Xizang Dejiyangzong, ZHAO Yanning, YANG Jie(038)
- Introduction and Evaluation of New Potato Varieties and Their Adaptability
..... Nimazhuoga, ZENG Yuting, XU Juanni, QI Chiheng, ZHAO Guan(042)
- Effects of Grazing Rest during the Green-up Period on the Characteristics of Plant Communities
in the Alpine Grassland of Shantsa County
..... XIE Wendong, Gaga, MA Dengke, Danjiuluobu, YAN Jun, DANG Yongzhi,
WANG Youxia, ZHANG Haipeng, GAO Ke, CHEN Jinlin, Labaxiluo, Suolangcijiao, Zhaxijimu(047)
- Study on the Correlation Between Functional Traits of Aquatic Plants and Environmental Factors
in Ganqu Wetland HE Wenjia, WANG Zhuangzhuang(052)

Degradation Performance of Fully Biodegradable Plastic Mulch Film in Plateau Environment
and Its Impact on Soil

..... PEI Qiong, LONG Hua, RUAN Liuwen, Bianbaluobu, ZHANG Tianbo, Duojiouzhu(059)

Seasonal Monitoring of Reproductive Hormones and Reproductive Regulation in Yaks

..... Dawasangjie, LI Xiang, Dawajiba, LI Jing, MA Yujun(063)

Safety Evaluation and Hepatotoxicity Mechanism of a Xizang Medicine Formula for

Treating Yak Diarrhea Cirenwangdui, JIA Lejuan, HUANG Yurong,

Luosangciren, Luobuciren, ZHANG Hui, LI Ying, CHANG Zhenyu(067)

Effects of Selenium and Vitamin E on the Development of Secondary Hair Follicles

in Cashmere Goats Awangcuoji, Nianzha, Nimaqiongda, Xireduoji,

Danzengquzhen, Deji, Chenxinyan, Dawa, Suolangda(077)

• Technology Extension •

Cultivation Techniques for High-Quality and High-Yield Hulless Barley in High-Altitude

Areas of Xizang ZHANG Weihua(083)

Study on Hardwood Cutting Seedling Raising Technology of Grape in Qamdo City

..... JIA Qiangqiang, HUANG Xihao, ZHANG Kai, MAO Xiang, WEI Xiujuan, YANG Yuting(087)

• Literature Review •

Measurement, Obstacle Diagnosis and Spatial Analysis of High-Quality Agricultural

Development in Xizang ZHANG Xiangnan, LIU Jia(090)

Research on Key Technologies of Agronomy-Machinery Integration for Seeders and

Optimization Suggestions on Xizang Plateau Hu Jun, Yisima, Ban Hongguang, Si Zhengbang,

QIAO Huanhuan, Longying, Cirenyangzong, Deqingzhuoga(100)

Analysis on Current Status, Problems and Countermeasures of Fruit Tree Planting in China

..... ZHENG Xiaodong(103)

Research Progress on Green Control of Stored-Product Insects Pubuzhuoma(107)

Research and Analysis on Natural Enemy Resources and Biological Control Strategies of Aphids

on Hulless Barley in Xizang CUI Jie, SUN Zhaoxu, GUO Xinnan, WANG Wenfeng(114)

Research on Agricultural Technology Extension Strategies from the Perspective of Rural

Revitalization Strategy Mimaciren(119)

Visual Analysis of the Current Status and Research Hotspots of Chinese Cabbage Research Based

on Bibliometrics LI Zhipeng, WANG Wenhai(122)

Overview of Tibetan Blue Bear (*Ursus arctos pruinosus*) AN Baiheng, SONG Xuanzi,

YANG Yun, Banmacaigeer, LIU Yangmei, Suolanggengcai, Mimawangdui(129)

Study on the Ecological Adaptability and Promotion Potential of Finger Millet in Arid Regions

..... GAO Yongbin, Sangdanzhuoma, XIAO Juan, WANG Wanrui(134)
